

# Safeguarding Leadership Introductory Session for National Church Leaders

*30 September — 1 October 2020*

CPSL is pleased to offer this training to National Church Leaders.

Piloted in partnership with National Council of Churches Australia—Safe Church Program, this training adapts CPSL’s well-received training for Catholic leaders.

It is specifically designed for Church Leaders and relevant senior clergy and staff to develop a clear understanding of their responsibilities in relation to safeguarding, including the National Principles for Child Safe Organisations, and how these are applied in a faith-based setting.

CPSL has delivered this training to more than 550 leaders across the Catholic Church in the past 18 months with very positive engagement and feedback from participants.

This session has a particular focus on governance, culture and leadership responsibilities.

It will be delivered across three modules as follows:

<b>Module One</b>	<i>Introduction, Context &amp; Culture</i>	Wed 30 Sept	9.30am-11.30am
<b>Module Two</b>	<i>Leadership Responsibilities in Safeguarding</i>	Wed 30 Sept	1.00pm-2.30pm
