RESILIENCE

Resilience

“The most fundamental change of heart and mind required of us is that of a constant return to the Great Tradition, the person and story of Jesus Christ, and the song that he sang.

.....

Compared to this song, there is little else that is of great importance. In the atmosphere created by this song, abuse cannot flourish.”

Resilience – an Irish Blessing

*May the road rise up to meet you
May the wind be always at your back
May the warm rays of sun fall upon your home
And may the hand of a friend always be near.*

*May green be the grass you walk on,
May blue be the skies above you,
May pure be the joys that surround you,
May true be the hearts that love you.*

*May the road rise to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.*
