Ecumenical Breakfast

International Women's Day March 8th

An invitation to an ecumenical IWD breakfast March 8th, 7.30am to ~8.45am

The ecumenical breakfast is organised by the Victorian Council of Churches and is open to women in the church - women in congregations, women in leadership. We especially welcome First Nations women able to attend, especially in this important year of the Referendum to enshrine an Aboriginal and Torres Strait Islander Voice in the Australian Constitution.

All are welcome!

This breakfast is an opportunity to meet new people and extend friendships, and to hear brief input from interesting speakers.
