Peace wall and garden

Warrandyte Uniting
Church, VIC

St George's Uniting Church, Eden

“We started with enormous faith – and no garden tools or money to buy them. On the first day it rained and only one person turned up, Roger. As it happened he was an artist and designed our sign. And everything happened from there...”

REDUCING WASTE

SAVING ENERGY

Solar Powered Sun?

Solar Panel Installation Display

Witness a solar electric system installed!

Benefits of panels powering appliances - energy, water, heating and cooling - saving the earth - reducing energy bills - the order community.

By God's witness, we reap!

Reverend's way - turn daily lesson cost and carbon the world!

God's way - produce clean energy and care for a world with gifts overflowing.

By generating 'clean' electricity we:

- take the burden of CO2 off
- take right care off the road - a great 500 miles

Hundreds of dollars a year saved! Spread the good news further!

A 25 year enduring witness!

The biggest greenest community. Making it a reality. Making it a reality. With the Sun's blessing, feel the sun's warmth!

Church, NSW

ST JOHN'S CATHEDRAL

Brisbane, QLD

doing justice **Carbon Fast** Lent Calendar #carbonfast

For Christians, Lent is the time when we remember the challenges and temptation which Jesus experienced during 40 days in the wilderness, and God's purpose in our lives. In Australia we are experiencing unprecedented bushfires, droughts and floods from the impacts of our climate changing. We can challenge ourselves to take a Carbon fast, taking small actions to reduce our own carbon footprint, to safeguard the integrity of creation, and sustain and renew life of this earth.

For more information doingjustice.org or on Facebook of [facebook/doingjustice](https://facebook.com/doingjustice) and use the hashtags #doingjustice #carbonfast #justwater2017

SUN	MON	TUES	WED	THUR	FRI	SAT											
1 March Ash Wednesday Repentance We confess that we have sinned... Use of water, washing it to signify our need for a new heart.	2 March Spiritual Give thanks for what we have. And a picture of the day - set out on it a spiritual significance of water in your life.	3 March Justice Research an issue for our community with access to clean water. Create a practical action to support them.	4 March Practical The water cycle at home. Check your water meter today and see how much water you use!	5 March Research Educate yourself on where to buy sustainable and local fish.	6 March Meat-free Monday Get tea and eat by doing so reduce your carbon use. <i>Meat-free Monday</i>	7 March Say no to SMD's Buy only organically grown food. Check the labels of what you eat.	8 March Aim for zero waste! Look at your food this week, what are you wasting?	9 March Big on beans Find a new delicious bean recipe and share it with a friend.	10 March Fish Friday Today, commit to having fish bought from sustainable stock. <i>(Fish Friday)</i>	11 March Church snacks What's your feast after the holy feast?	12 March Apologues	13 March Empower yourself	14 March Take a break from	15 March Plan your outfit	16 March Have about a moon	17 March Load something on	18 March ...
