

PROVIDING A

HOPE-FILLED RESPONSE

IN A TIME OF DISASTER AND RECOVERY

CONFERENCE 6-8 SEPTEMBER 2019

THE NOVOTEL HOTEL, CATHEDRAL SQUARE
CHRISTCHURCH, NEW ZEALAND

In 2010 and 2011 Canterbury was struck by several large earthquakes and thousands of aftershocks. The effect on the people, the infrastructure, and the Christian community was significant and the aftermath continues to play out daily, even years later.

Life-changing events are a reality for communities on both sides of the Tasman-fires, floods, earthquakes, drought... What does a hope-filled response look like for religious press in times of change, pressure, disaster and recovery?

Join author Debbie Roome, documentary filmmaker Gerard Smyth, Editor of Anglican Taonga Julianne Clarke-Morris, and more creative thinkers, presenters and communicators as we reflect on what it means to communicate hope in tough times, at the 45th Annual ARPA Conference in the heart of Christchurch City, New Zealand.
