HAVE YOU HEARD ABOUT CANADA'S AMAZING REFUGEE SPONSORSHIP PROGRAM AND ARE YOU INTERESTED IN BEING PART OF SOMETHING SIMILAR IN AUSTRALIA?

Could you see yourself being part of a group of local volunteers that provides practical, hands-on support to a refugee household in your local area?

Community Refugee Sponsorship Australia is coordinating a fresh intake of interested individuals/groups as part of its ground-breaking 'Group Mentorship Program', which trains local groups to provide welcome and settlement support to newly arrived refugees, and then matches them with a refugee household living locally.

Scan the QR code or visit CRSA's website to learn more about the program and to register to attend an online public information session.
