**A one-day online Conference on Australia's Perception of Security**

**Saturday, February 19<sup>th</sup> 2022**

**8:30am – 5:30pm**

AUKUS has raised much debate. Do Defence Alliances make us truly secure? What value do we put on trust building and better relations with countries? How deft is our foreign policy towards China? What is the cost of *not* pursuing non-violent approaches to conflict prevention? This Conference is timely before a Federal Election. Brochure available.
