

7th National Forum

Post Forum Actions

The November meeting of the NCCA Executive, as a followup to the Forum made additional resolutions with respect to;

Refugees and Asylum Seekers

The NCCA Executive minute 10.11.07 relates to the Government's policy to release children and families into the community for processing.

Supporting a vision for the future beyond the current realities for Palestinian and Jewish peoples.

The 7th Forum Minute and the NCCA Executive Minute 10.11.06 are not to be reproduced in any form without the permission of the NCCA. In addition these two Minutes are to be kept together; there should be no extraction of any one Statement from within the Minutes they are always to be seen together and to be used in this context and never in isolation of the other.

Some portions of the Forum minutes have been repeatedly quoted out of context by third parties and used in ways that were not the intention of the NCCA, in some instances the misrepresentation has been corrected and in a few instances this has not been possible to achieve. The NCCA apologises for any hurt that this may have caused in the Australian community.
